Attention Mr. Kamal al-Tamimi, may God protect him.
Regional Director / Palestine.

Peace be upon you and God's mercy and blessings. To proceed,

With the developments and events that are currently taking place inside the Palestinian territories, it is required of us as a charitable organization to be on the highest level in providing relief to those injured and afflicted in these events and to cooperate with all medical institutions to provide support and aid to cover the needs of these institutions.

What we would like to ask of you is:

- To present a detailed study of the needs in light of these circumstances.
- Photographs of the injured and wounded and their families (preferably sent to us via e-mail).
- To form teams or committees to visit the afflicted and the wounded in the hospitals or in their homes and to offer assistance, while taking pictures of them during the visit.
- To form a rescue unit made up of the foundation's volunteers (dressed in shirts bearing the foundation's name or logo in cooperation with some of the specialized institutions in this field or with some of the official institutions.

We hope to receive tomorrow via e-mail the study along with some pictures of the wounded and the afflicted and, if possible, photographs of the foundation's delegation during those visits.

I will be in the office tomorrow from 10:00 a.m. until 1:00 p.m., U.S. time.

Please accept the utmost respect,

Akram Mishal
